Dr. Smith's commitment to the highest quality products and services makes us a leader in patient care and our industry.

Providing only the the highest quality products and services with our amazing staff comes at a price. For more than 5 years Dr. Smith has absorbed the costs in order to maintain pricing for our valued patients.

In order to maintain the highest quality products, services and staff, you will notice slight increases in costs starting December 1, 2017.

These updates allow us to continue to deliver the highest quality staff, services, and products to you and your loved ones.

The best news is the CDC announced every \$1 invested in proactive health programs with a team of medical experts, just like Dr Smith's Program, saves over 350% in overall Medical Expenses. Think about that. A \$100 monthly investment in your health with your team of medical experts at Dr. Smith reduces overall monthly medical expenses by \$350. That's like a \$350 monthly raise for being healthy.

For pricing starting December 1, 2017 please see below. For any questions or concerns please always feel free to contact us at 770-438-8446.

We look forward to helping you and your loved ones be Healthy from the Inside Out.
